

BME

RIG SAFE 880CFM COMPRESSOR

MAIN ASSETS

BME Services Ltd are delighted to offer the Rig Safe Compressor that will deliver 880 cfm @12 bar. The compressor is inside a super silent canopy and has built in water separators. The engine is the Cummins QSL (340HP) low emission and is fitted out to comply with Rig Safe regulations.

Our Rig Safe Compressor is mounted into a four wheel trolley, allowing for ease of transportation, and forklift pockets are available.
